

DatabaseManager

```
graph BT; ChatServer[ChatServer] -.->|dbManager| DatabaseManager[DatabaseManager];
```

The diagram illustrates a dependency between two classes. At the top is a white rectangular box labeled 'DatabaseManager'. At the bottom is a gray rectangular box labeled 'ChatServer'. A dashed purple arrow points from the 'ChatServer' box up to the 'DatabaseManager' box. To the right of the arrow, the text 'dbManager' is written in a light gray font.
